TRANSPORTATION

When it comes to traveling in style, these are some of our favorite ways to get around.

BEST BOAT CLUB FREEDOM BOAT CLUB

(2630 Ingham St, San Diego, 888.781.7363, freedomboatclub.com)

Have you always wanted an on-the-water lifestyle, but not the responsibility of maintaining a boat or yacht? Enter Freedom Boat Club. The company offers the convenience of reserving your dream vessel when you want it and none of the hassle of docking and upkeep when you don't. And with more than 185 locations across the United States and Canada, including San Diego, sunset Champagne cruises, weekend excursions and dock-and-dine options are never far out of reach.

INSIDER'S TIP Freedom Boat Club also has three locations in France, and your membership works anywhere, so add "charter a boat like a local" to your next European jaunt.

BEST PRIVATE AIR CHARTER SCHUBACH AVIATION

(2026 Palomar Airport Road, Carlsbad, 760.929.0307, schubachaviation.com)

Ready for a quick getaway to Bali?

Maybe a weekend in Colorado?

Or a respite in Sedona? Luxury jet charter Schubach Aviation houses San Diego's most diverse fleet and is ready to jet you anywhere, anytime. We love the no-fuss park and board convenience of Palomar Airport. It truly is luxury flying at its best. **INSIDER'S TIP** For those looking for a highly curated travel experience, Schubach Aviation's one-day Elevated Excursion packages are hard to top.

From start to finish, the charter company secures every detail of the day—all the way to your in-flight spirits to kick-start your get-away.

Freedom Boat Club grants you the luxury of chartering a vessel on your terms.
